SENIOR'S LAST SUPPER

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!

You have brains in your head.
You have feet in your shoes
You can steer yourself
any direction you choose.

You're on your own now. And you know what you know.
And YOU are the one who'll decide where to go.

But before you head off, and head down your new path
We want to say thanks and share a few laughs.
You're invited to dine at a nice fancy place
So we can honor your efforts
And thank God for His grace.

Congrats once again!
You made it! You're through!
All seniors unite!
And señores, too.
